

Directions: Take one capsule 2-3 times per day between meals or as directed by your healthcare practitioner.

Magnesium Ultra features the highly absorbable magnesium lysinate glycinate chelate and the patented di-magnesium malate from Balchem Corporation, the world leader in patented mineral amino acid chelate and organic mineral acid complex research and development.* We have chosen Balchem's Albion™ minerals technology to provide the highest quality minerals for optimal absorption and utilization.*

Magnesium is involved in over 300 enzyme-related processes including cardiac, muscle and nerve function and the production of ATP for energy.* Magnesium also plays a role in supporting optimal bone density and maintenance of blood glucose levels.*

***These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure or prevent any disease.**

Does Not Contain: Milk, eggs, fish, shellfish, tree nuts, peanuts, wheat, soy.

Caution: Keep out of reach of children.

Storage: Keep tightly closed in a cool, dry place.
